CELTIC SEA SALT® MAKAI PURE®

CELTIC OCEAN INTERNATIONAL, INC.

Product Description: Celtic Sea Salt® Makai Pure® sets the standard for unrefined sea salt. In Hawaii, our producers tap into seawater from deeper currents where there is higher salinity and produce the salt in a controlled greenhouse environment. The yield is a beautiful natural sea salt with top-notch minerals and flavor.

Ingredients: Unrefined raw deep sea salt.

Additives: Does not contain any additives, including but not limited to: anti-caking agents, free flowing agents, or conditioners.

Appearance: White crystals.

Applications: This product is intended for culinary use including cooking, direct application, salt mill, and food manufacturing.

Country of Origin: Product of USA.

Quality Systems: Selina Naturally® is cGMP Certified, conforms to HACCP, OU Kosher Pareve Certified and compliant to Codex Standards for Food Grade Salt. Selina Naturally hand packs and examines each grain and removes unwanted foreign materials leaving only pure, unadulterated salt.

Shelf Life: Indefinite shelf life. Store in a dry place away from direct sunlight.

GMO Declaration: This salt is not genetically modified nor does it contain genetically modified organisms (GMO) or their derivations and genetic engineering is not applied during the production process.

Selina Naturally® does not test each lot of salt for mineral composition or pathogenic bacteria. However, our suppliers are testing each lot for mineral composition and pathogenic bacteria. This specifications sheet is a compilation of data from our suppliers' test results and our third-party testing. It has been found that historically the composition of our product does not vary measurably over time. We ensure that our product is within the FDA allowable limits for heavy metals and bacterial pathogens.
