

# CELTIC SEA SALT® BRAND GOURMET KOSHER

CELTIC OCEAN  
INTERNATIONAL, INC.

**Product Description:** Celtic Sea Salt® Brand Gourmet Kosher carries all the quality and health benefits of the original Celtic Sea Salt®. We chose this salt for our gourmet and chef customers based on the flavor and usability of the crystals. The delicate nature of this salt makes it easy to use in almost any application, similar to our Flower of the Ocean®, but with more integrity to the crystal structure offering a stronger crunch. It is an unprocessed whole salt that contains no additives or anti-caking agents. It works well in varied applications, from cooking to finishing, salt-curing to desserts.

**Ingredients:** Sea Salt

**Additives:** Does not contain any additives, including but not limited to: anti-caking agents, free flowing agents, or conditioners.

**Appearance:** White delicate crystals.

**Applications:** This product is intended for culinary use including cooking, direct application, salt mill, and food manufacturing.

**Country of Origin:** Guatemala.

**Quality Systems:** Selina Naturally® is cGMP Certified, conforms to HACCP, OU Kosher Pareve Certified and compliant to Codex Standards for Food Grade Salt. Selina Naturally sifts, hand packs and examines each grain and removes unwanted foreign materials leaving only pure, unadulterated salt.

**Shelf Life:** Minimum 15 years from production date.

**GMO Declaration:** This salt is not genetically modified nor does it contain genetically modified organisms (GMO) or their derivations and genetic engineering is not applied during the production process.

Quality Control Manager, Celtic Ocean Int'l

Selina Naturally® does not test each lot of salt for mineral composition or pathogenic bacteria. However, our suppliers are testing each lot for mineral composition and pathogenic bacteria. This specifications sheet is a compilation of data from our suppliers' test results and our third-party testing. It has been found that historically the composition of our product does not vary measurably over time. We ensure that our product is within the FDA allowable limits for heavy metals and bacterial pathogens.
